Bibliographers & Bibliographies!!

Courage is almost a contradiction in terms. It means a strong desire to live taking the form of readiness to die.

~G. K. Chesterton

The **bibliographers** of the Fairchild Research Information Center help support Air University's research and missions through recommendations for purchase, interacting with faculty, staff, and students, and compiling **bibliographies** on various subjects. The **bibliographer** is a generalist within a specialty who

strives for a balanced view of the subject matter while responding to specific academic needs and interests.

Our **bibliographies** are accessible through MSFRIC's home page. There are 220+ '**current**' and 160+ '**archived**' **bibliographies** on various subjects. The archived **bibliographies** go back to 1990,

some being in pdf format.

Some of the more recent **bibliographies** are:
